### Air Babylon

As with all the books under the "Babylon Genre", Air Babylon is no exception. It is witty, and very well researched. I was both highly entertained and shocked at the facts that the book pointed out. One of my favorite parts, was about the window shutters on the aircraft and why they are to be kept open during the landing and take-off procedures.

Air Babylon is a fictional \*24-Hours\* in the life of an unnamed London Based Airport but with plenty of name drops like Stansted or Heathrow. We pretty much witness all the things that can happen that go on in an Airport, it kind of surprises me how you don't notice these things when your making your way through one yourself.
