In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

December 6th, 2013 • Matthew Hancock insert_drive_file Article
• 2 min read Just as you should arrive in Venice on a boat, it is best to arrive in Lisbon on a tram, from the point where many people leave it for good: at Prazeres, by the city's picturesque main cemetery.
