Games Workshop's books are getting more and more expensive, so I was glad that the Dark Eldar codex is only \$33 (because it's 5th Ed.). You'll really get your money's worth with this one because the book is packed with amazing artwork and background information on one of the most deranged and sinister forces available for you to play in the 40k universe.

Eldar Codex 6th Edition Review Part 1 with Benjamin Murphy ...

A codex (often pluralised as codexes by Games Workshop, though the grammatically correct pluralisation is codices), in the Warhammer 40,000 tabletop wargame, is a rules supplement containing information concerning a particular army, environment, or worldwide campaign.. Codexes for particular armies were introduced for the second edition of the game. The third edition rendered these obsolete ...
