During the formative years of the American republic, lawyers and architects, both eager to secure public affirmation of their professional status, worked together to create specialized, purpose-built courthouses to replace the informal judicial settings in which trials took place during the colonial era. In *From Tavern to Courthouse*, Martha J.

Georgia. It's a beautiful old southern town with a wonderful history. While there, enjoy the old architecture and the stories about how it became amazing.

While there, visit The Courthouse Tavern on the town square. I don't give a star rating, but if I did, they would have 5 of them.
