*Problem Solving and Reasoning Teacher Resources

Problem Solving and Reasoning is well resourced and links well to the National Curriculum. Read more. Westlea Primary School, Swindon. I like the Problem Solving and Reasoning books because they are comprehensive and teach a range of strategies. The language modelled in each lesson is very current.

*Problem Solving and Reasoning Teacher Resources

As the tween years begin, children become skilled at categorizing people and objects—another development in logical reasoning. Unlike during their younger years, tweens thoroughly understand how things can be grouped together by like properties. They also realize that the hierarchies of groupings exist.

How Logical Reasoning Changes With Age

Great for a good mix of reasoning questions. Some quite hard though for 7-8 year olds but Sats/National test questions on reasoning are also quite hard so gets children used to question types.
