Send In The Idiots Stories

"Send in the Idiots" is a fantastic explanation of how diverse, full of wisdom (the one we, the real idiots don't have) and real is the inner world of autistic people and how does it express itself. The stories of Kamran's group mates are deeply explaining but at the same time they are not affixing author's truth.

Send in the Idiots: Stories from the Other Side of Autism ...

About Send in the Idiots. In 1982, when he was four years old, Kamran Nazeer was enrolled in a small school in New York City alongside a dozen other children diagnosed with autism. Calling themselves the Idiots, these kids received care that was at the cutting edge of developmental psychology. Twenty-three years later, the school no longer exists. Send in the Idiots is the always candid, often surprising, and ultimately moving investigation into what happened to those children.

Send in the Idiots: Stories from the Other Side of Autism ...

Bringing to life the texture of autistic lives and the limitations that the condition presents, Nazeer also relates the ways in which those can be eased over time, and with the right treatment. Using his own experiences to examine such topics as the difficulties of language, conversation as performance, and the politics of civility, Send in the Idiots is also a rare and provocative exploration of the way that people-all people-learn to think and feel. Written with unmatched insight and ...

Some didn't speak; another periodically interrupted every lesson or conversation to say "Send in the Idiots". Another would only sit on a particular white stripe in the classroom carpet. That one, Kamran Nazeer, is the author of Send in the Idiots. Around twenty-five years later, Nazeer attempted to contact his former classmates and teachers; two teachers, three classmates, and the parents of a third (who had committed suicide) agreed to talk with him, with this book as a result.

Send in the Idiots: Stories from the Other Side of Autism ...

Send in the Idiots - Kamran Nazeer. Disclaimer: The book and this review contain mentions of suicide. A book written by an autistic adult who set out to find the other autistic children who were in his special needs classroom at school. It is a book about their lives, about what they have done, and what they plan to do in the future.

Send in the Idiots: Stories from the Other Side of Autism ...

To be human means to embrace some comprehensive story through which we understand our world and chart our course through it. Reading Send in the Idiots makes me realize that we are not always conscious of the story we live out of or the effect it has on our thoughts and actions. Autism can too often shape issues of identity, lifestyle, and value.
