The American Century is a characterization of the period since the middle of the 20th century as being largely dominated by the United States in political, economic, and cultural terms. It is comparable to the description of the period 1815–1914 as Britain's Imperial Century. The United States' influence grew throughout the 20th century, but became especially dominant

Mitchell 2004 explains the myriad ways in which African American racial spokesmen and middle-class aspirants of this era sought to shape and reproduce a respectable, unassailable, “righteous” black nation within the United States. From its earliest iterations, 20th-century black nationalism was a deeply gendered and sexualized politics.
