### AT&T 1855 18-Button White Digital Display Speakerphone ...

My ATT answering machine model 1855 does not respond to the usual commands. I cannot turn it on or off. Any calls coming in to my phone (if I do not answer the phone within four rings) are automatically transferred to my fax machine (which has the same number as my telephone number and which is connected to my phone through the answering machine.).

### My ATT answering machine model 1855 does not respond to ...

I have an ATT Speakerphone/Answering System 1855 that I bought online and that I received on April 29, 2010. It worked very well and I was receiving my messages when I would get home. For the last month callers have been listening to 10 rings and then are cut off-my message does not come on line and there is no generic message either. they have no opportunity to leave a message.

### I have an AT&T Speakerphone/Answering System 1855 that I ...

High quality AT&T telephones and answering systems unite in these integrated models. Save room on your desk or kitchen counter and have it all at your fingertips. Our digital answering systems record outgoing announcements and incoming messages on a microchip, which ensures reliable performance, instant access to messages, and the ability to selectively save and delete messages.

### AT&T 1855 18-Button White Digital Display Speakerphone ...

Trying to replace our old AT&T 1545 digital telephone and answering machine has been a difficult task. We selected the 1856 and it will do the job but is impossible as others noted to read the LED light unless you tilt the phone in which case the headset falls offs.

### AT&T 1856 Corded Speakerphone with Digital Answering ...

We needed an answering machine for ages, just bought the AT&T 1855. Initially there was a high pitched sound noted when people called in to leave a message. I was going to return the machine to Best Buy, but tried unplugging the machine from the wall electric cord and phone cords, and then reconnected it again, and there is no longer that high pitched sound.
