Another scalding piece of American realism from John O'Hara, BUTterfield 8 moves away from the author's "Gibbsville," Pa., home locale to depict a dozen or so main characters from a wide range of Manhattan social classes, who cross daily as equals only in the strangeness of the city's Prohibition-era speakeasy life. It is not a pretty picture, but deftly drawn with his great, great dialogue and unerring characterizations -- a love story, in its way.
