### Point Man: How a Man Can Lead His Family | Logos Bible ...

Ordinarily a military term, but recently having found its way into everyday jargon, a point man is member of an operation who leads at the front of the group. Generally this causes them to be the first person exposed to threat or danger. The act of being a point man is to "be on point," "take point," or "walk point."

### Urban Dictionary: point man

Point person definition is - point man. How to use point person in a sentence.

### Point Person | Definition of Point Person by Merriam-Webster

To take point, walk point, be on point, or be a point man is to assume the first and most exposed position in a combat military formation, that is, the leading soldier or unit advancing through hostile or unsecured territory. The term can be applied to infantry or mechanized columns. The soldier, vehicle, or unit on point is frequently the first to take hostile fire. The inherent risks of taking point create a need for constant and extreme operational alertness. However, ambushes often intend to
