The Long Road to Gaia is novel length, based on the short story 1969 I wrote last year. 1969 was about 5,000 words, while Gaia is 48,500 words in length. 1969 forms the first 4 chapters, following a Prologue of 4 chapters. After 1969, the story covers the next 650 years.

Jon Hunter has made it home. But a lot of things have happened to him over the last year. Some of them made no sense at all to those with him, but they accepted the really weird as if it was part of him. Jon himself didn't understand a lot of it, but accepted he wasn't allowed to know yet. But what really happened, and why? For 600 odd years,
